

River Knits Classes – Summer 2018

Payment reserves your space in the class. If you cannot attend the class, a full refund will be given if you notify us one week prior to the class start date. **No refunds or rain checks will be given after the one week cutoff.**

- **Materials for classes at River Knits must be purchased at River Knits so that we can remain in business to keep offering you more great classes!**
- Classes may be cancelled at the instructor's discretion if minimum enrollment is not reached.
- **Knitting Survival Kit** – In addition to the specific materials required for your class, it is helpful to bring a “basic knitting kit” with you to most classes beyond Knit Basics. This kit should include a small pair of scissors, stitch markers, stitch holders, a crochet hook, a darning needle, pencil and “post-its”, and a tape measure.

July is for Shawls (voucher class)

Tuesdays, July , 24, 31; Aug 7, 7-9 pm

Instructor: Amanda Gill

It's no secret that I LOVE to knit shawls. A shawl makes a perfect year-round project. In the beginning, they are small enough to knit while sitting outdoors in the sunshine. As they grow to cover your lap, knit on them indoors where the temperature is more controlled. Small shawls don't take up too much space, but are wonderful to have on hand when the air conditioning becomes too much. Any shawl can double as a warm winter scarf. Large shawls can be used as scarves, shawls, blankets, pillows. The possibilities are endless! And not all shawls have to be in fine yarn. You can find patterns in anything from cobweb weight to bulky! Come to River Knits to see a wide variety of shawls, and pick one to knit with us! I'm currently obsessed with patterns from Maliha Designs by Lisa Hannes. **Note: this is a voucher style class. Attend as many or as few sessions as you wish at \$20/session.**

Materials: Shawl pattern of your choice; yarn, needles, and notions as listed in pattern

Cost: \$20/session.

Help Session: Beginning and Beyond

Saturday, July 14, 10am-12pm

Instructor: Heather Bernt

Want to learn a new skill but there isn't a class on the schedule for that skill? Want to get started knitting? Do you have a project on the needles that is causing you stress? Need a little help understanding a pattern? Did you take Beginning Knitting and just need a little more support? Come to the Help Session! If you need help with a current project, bring it and your questions so you can get going again. If you want to get started and are a beginner, you need size #10.5 needles and 1-2 skeins of bulky yarn. Bamboo needles and natural, smooth wool yarn is easiest for learning.

Cost: \$20

KnitCompanion Next Gen: Basics

Tuesday, August 14; 7-9pm

Instructor: Amanda Gill

I've been using KnitCompanion for years to manage my pattern collection, set up projects, and keep track of where I am. Recently, the makers of KC created a whole new version that they are calling KnitCompanion Next Gen. (The old version is now called KnitCompanion Legacy.) Interested in seeing what the new version can do? Or are you brand new to KC? Join us to go over the basics and see how things have changed.

Materials: iPad, iPhone, or Android device with KnitCompanion Next Gen downloaded (We'll talk about how to migrate your projects to the new version in class.)

Cost: \$20 (Note: Attendance for this class will be limited to 4

people.)

Help Session: Beginning and Beyond

Saturday, August 11, 10am-12pm

KnitCompanion Next Gen: Advanced

Tuesday, August 21; 7-9pm

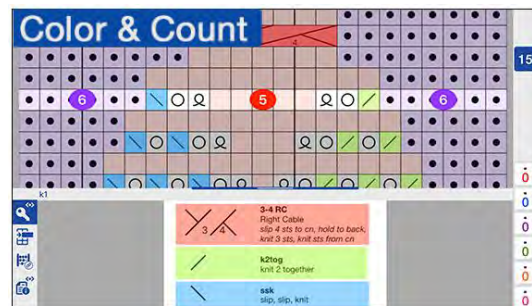

Instructor: Amanda Gill

So, you've taken the KC NG Basics class, and you want to see what else this amazing app can do? Join us for the Advanced class. In this class, we'll talk about how to merge charts, use smart counters, and so much more.

Materials: iPad, iPhone, or Android device with KnitCompanion Next Gen.

Prerequisite: KC NG Basics class

Cost: \$20 (Note: Attendance for this class will be limited to 4 people.)
